

IBS Physics Colloquium @ Daejeon

Searches for Axions at the University of Western Australia

October 28, 2021 (Thursday) at 4:35 p.m.

PCS video conference (further details: pcs@ibs.re.kr)
Institute for Basic Science (IBS)

Prof. Michael Tobar

University of Western Australia, Australia

Center for Axion and Precision Physics Research
Center for Exotic Nuclear Studies
Center for Theoretical Physics of Complex Systems
Center for Theoretical Physics of the Universe
Center for Underground Physics
